Dances of Universal Peace

Columbus, OH

The Dances of Universal Peace are simple, meditative, and joyous circle dances that celebrate the variety of spiritual paths on Earth. They may be seen as a modern day expression of ancient practices of body prayer. Everyone with an open and willing attitude is welcome to attend --- you do not need a partner and all movements are taught. We invite children to join the dance circle or sometimes children's activities are offered during the dance meeting. There is no fee to participate; donations requested.
